About A&M Advisory

End-to-End SRA Project Management

A&M Private Limited specializes in end-to-end advisory and execution support for Slum Rehabilitation Authority (SRA) projects in Mumbai. We play a vital role in managing the entire project lifecycle—from initial surveys and documentation to approvals, coordination, and final handover.

Regulatory Expertise & Stakeholder Bridge

Our expertise lies in liaising with government authorities, ensuring compliance with SRA regulations, and facilitating seamless communication between developers, societies, and stakeholders. With a strong focus on transparency, efficiency, and accountability, we help transform redevelopment visions into successful, legally compliant, and socially impactful outcomes.

Commitment to Sustainable Urban Growth

Driven by Advisory Excellence, we are committed to Building The Future Together by contributing to structured urban development and improved living standards across the Mumbai Metropolitan Region (MMR).
